

NORTH DURBAN

HASH HOUSE HARRIERS

GRAND MASTER : Ken Reardon
 ON SEC : Danny Rowbotham
 ON DOC : Ben George
 HASH CASH : Mervyn McGregor

RUN NO. 4 : Ben George

Along Old North Coast Road, thru' Red Hill into Avoca. Keep going towards Mt. Edgecombe, watch for cream-coloured Mercedes in clearing on right.

TIME : 5.15 for 5.30 p.m. DATE : 13 October 1981

RUN NO. 3 : John Becker and Tony Dixon

Well, they've done it. In spite of our avowed intentions of keeping this Hash completely masculine, John Becker introduced The Loop and Tony Dixon his wife. Not an example to be followed. The only good thing about the said loop is that it enabled Ken Reardon to make his virgin (?) appearance.

A fast run which was very clean except for the language occasioned by the speed; through built-up areas into bush and the return through cane. Tony was heard to complain that not all the pack returned 'on paper'. Fact of life tho' - if you lead a harrier within scenting distance of the waiting beer it's far too much to expect him to go off again.

Hero of the week : Tony Dixon for letting the pack into his home.

Sinner of the week : John Pammenter for standing idly in his garden watching the pack go by.

RECEDING HARELINE :

13.10.81	No 4	Ben George
20.10.81	No 5	Danny Rowbotham / Paul Lewis
27.10.81	No 6	Steve Evans
3.11.81	No 7	Nobby Clarke

HASH TRASH :

Definition of an ash blonde - a woman who's had all the fire poked out of her.

STOP PRESS :

Complaint from Tony's neighbour's - they didn't mind the paper strewn all over or the shouting, the language they'd heard before but John Becker's shorts, they say, were beyond the pale.

Editor's note : As harriers and gentlemen I think we owe it to the general public to dress in a decent and dignified manner. Will someone please gently mention this to John?
