Run No. 25 : JOHN ORTON

The 25th run got off to a late start as a result of 70 % of the pack watching the Duikers/Zebras game at Kings Park. There was some confusion as to the exact start of the run but eventually the pack numbering approximately 22 set off just before 6.00.

A leg stretching section along Lagoon Drive served as a good warm-up. The next section to the Umhlanga Lagoon along the beach probably served as a good warm-up to a heart attack. It was here that our hare got lost (for the first time). Eventually the path into the bush was found. By now it was fairly dark and the sortie into the bush was not without incident. In fact, it was here that the hare lost the trail for the 2nd time. We were eventually ushered onto the main road down to the Bridge, by now it was fairly dark. Ten or so sensible hashers decided to head for the pub. The rest of the pack followed the hare into the gloaming. Your scribe was one of those that elected to head for home and therefore cannot give an accurate account of what happened on the banks of the Umhlanga River. Suffice to say that after wading through mud and reeds and and faced with the prospect of swimming the river in the dark the rest of the pack gave up and headed for home.

Residents of the Umhlanga Hotel were then treated to the sight of some of the pack showering under a hosepipe in the garden (it pays to advertise). Thereafter followed curry and rice, beer, more beer and eventually the North Durban Hash House Harriers' male voice choir entertained the locals in the pub until about 10.00 when we were kicked out.

Geoff Taylor promises that the 25th run anniversary T-shirts will be ready on the 26th. See you there.
